Thanks but I'll probably go out earlier on Monday to take advantage of the travel and visit the other sites in Odessa and Midessa (which I haven't seen since last September).

For the trip to Waco on March 4th, Dani said she was okay with that date as well. What time do you want to try and meet - I suggested 10:00 am?

I'm out a little earlier than I need on Monday the 15th. I suggested to June that she come in on the the SW flight that gets to Midland at 1:00. I would gladly come by and pick her/you up.

I made my reservation at the Midland Hilton.

I'll have a car
